Parking

SCC has three parking garages: Arch Garage, Summit Garage, and Freeway Park Garage. Parking rates are charged on an hourly basis.

Arch Garage

The Arch Garage can be accessed on 8th Avenue between Pike Street and Seneca Street. The maximum vehicle height in Arch garage is 6'5". The standard hours of operation are 5:30am – 12am. There are 16 accessible parking spaces at the end of Aisle F on the blue level of the garage. If parking in one of the accessible spaces, follow the blue path to enter SCC at Arch at 705 Pike. Both parking levels access Arch using a ramp. There is no elevator access inside Arch Garage. As you enter Arch at 705 Pike from the parking structure, you will be on Level 3. An accessible elevator is on your right-hand side adjacent to Room 310. If you need information on oversized parking, please call the SCC Parking Manager at 206-694-5020.

Summit Garage

The Summit Garage can be accessed on Olive Way between 9th Avenue and Boren Avenue. The Summit Garage entry-level clearance is 8'4", and other levels are 6'10". Any exceptions to regular vehicle clearance are clearly marked. The standard hours of operation are 5:30am-12am. There are 16 accessible parking spaces, six spaces on each of the three levels. Three of the accessible parking spaces on Level 1 are van accessible. Elevators are in the northwestern corner of all parking levels. Take the elevator to parking Level 1 (Alder/Purple Level) to access Summit. Entry to Summit is located next to the elevators in the elevator vestibule.

Freeway Park Garage

The Freeway Park Garage entrance is located on Hubbell Place between Pike Street and Seneca Street. The maximum vehicle height in Freeway Park Garage is 6'9". The standard hours of operation for Freeway Park Garage are 5:30am – 8pm. There are 16 accessible spaces available, four spaces on each of the four levels, located near the elevators. If you need an accessible non-stair route from Freeway Park Garage to Arch at 705 Pike building, take the elevator to the PARK Level. As you exit the elevator you will turn to the right and proceed across Ellis Plaza to the Level 4 entrance of SCC. Please note that Ellis Plaza is an uncovered area open to the elements. Please use the Arch Garage if we are experiencing rain, wind, or cold conditions.

Public Transportation

SCC is in King County, and the county's public transit agency is Metro Transit. You can plan your trip within King County

Accessibility Guide

and find accessibility resources by visiting their website: <https://kingcounty.gov/en/depts/metro>. You can contact Metro's Accessible Services at (206) 553-3000 or dial 711 to use Washington Telecommunication Relay Services.

If you wish to travel to SCC by public transportation from outside King County, please use the Regional Trip Planner at <https://www.findaride.org/regional-trip-planners>. This guide will help you travel to downtown Seattle from almost anywhere in the region.

Pedestrian Access

Arch at 705 Pike

There are three pedestrian, street-level entrances with push-button automatic doors for accessibility. Two are located on the south side of Pike Street between 7th and 8th Avenues. Both these entrances have ramp access in addition to stairs. The third entrance, on Convention Place at our shuttle drop-off location, has a short curb and ramp.

Arch at 800 Pike

Building access is through the main doors located on the north side of Pike Street between 8th and 9th Avenues. This entrance has ramp access in addition to stairs.

Summit

There are three pedestrian entrances to Summit. All pedestrian entrances have at least one push-button automatic door. The Pine Plaza entrance, on the corner of 9th Avenue and Pine Street, has ramps and stairs that lead to the building doors. The 9th Avenue entrance, located between Pine Street and Olive Way, has elevator access to Level 1. The Olive Way entrance, located between 9th Avenue and Boren Avenue, has elevator access to Level 1.

Interior Accessibility

Arch at 705 Pike

Elevators 11 and 12

Elevators 11 and 12 initiate on Level 1 in the Pike Street Lobby. Elevators 11 and 12 mainly support the portion of the building that includes Room 2AB, 3AB, and Halls 4DEF. Elevators 11 and 12 terminate on Level 4 in the Skybridge Lobby. These elevators are only accessible during event activity.

Elevator 14

Elevator 14 is in the middle section of the Pike Street Lobby. Elevator 14 is used strictly to bypass the stairs that transition to the lobby stairs. Elevator 14 should be used to transfer to Elevators 6 and 7 if your event is in Halls 4AB or on Levels 2, 3, 4, or 6.

Elevators 6 and 7

Elevators 6 and 7 initiate on Level 1 and are in the south corner of Level 1, next to Convention Place. Elevators 6 and 7 travel to Levels 1–6 of SCC. For security reasons this elevator may terminate at level 4 during some events. In these circumstances, you can access Level 6 by exiting these elevators at Level 4 and heading to your right to Elevators 1 and 2.

Elevators 1 and 2

Elevators 1 and 2 initiate on Level 4 inside the Atrium Lobby. These elevators access the Level 6 Ballrooms, Meeting Rooms 601–620, and Level 5 for Rooms 504–508.

Accessibility Guide

Escalators

Escalators connect all event levels in Arch.

Arch at 800 Pike

Elevators access all levels.

Escalators connect all but the Skagit (lower) level.

Summit

Pine Elevators

These interior elevators (elevators 17-19) are near the Pine Plaza entrance and access all levels, including the Exhibit Hall level.

Olive Elevators

These elevators (elevators 10-12) are between the Olive Way entrance and Parking Garage entrance on the north interior side of the building and access Levels 1-5. These elevators do not access the Exhibit Hall (lower) level.

Escalators

Escalators connect all floors in Summit. The Olive escalators are on the north interior side of the building and adjacent to the Olive elevators. These elevators do not access the Exhibit Hall level. One escalator behind the Pine elevators ascends to the upper levels. Two sets of escalators access the Exhibit Hall near the Pine elevators.

Restrooms

All restrooms in SCC are accessible and include hands-free faucets. Arch family restrooms are located on Levels 4 and 5. The all-gender restroom is located on Level 4. These are only available during event activities.

Summit all-gender restrooms are located on the Exhibit Hall Level and Levels 2-5. Personal consideration rooms are on Levels 3 and 4.

Assisted Listening Devices

Please contact your SCC Event Manager in advance of your event for more information.

Wheelchair Rental

SCC wheelchairs are for use during medical emergencies only. Wheelchairs can be rented locally from these companies:

Wheels for Feet

425-256-2882
